e-mail Mrs. Kristy Fiegen and we will compile a new list. If there is enough interest we will have the Screening America team come back up for another day. If there is not enough interest we will get you contact information on how to set up your own personal screening in Sioux Falls.

Also, this will be open to 11-year-olds as well (the original screening said 12+ but they are able to screen 11-year-olds). The sibling discount would apply to this as well. So if you had an older child screened today and would like to have an 11-year-old screened now, it would be at the sibling discount rate of \$44.50.

Please let us know ASAP so we can either get another screening set up or get contact information dispersed to those who would like to have a screening done.

Females may wear a khaki/black skirt (no denims). The length of the skirt must be to the top of the knee.”
