St. Mary 400 CLUB - 2018

It's time again to renew your 2018 membership or consider joining us and invite someone else to also become a member!

*The St. Mary 400 Club membership drive is looking for you! Another successful year is about to conclude and to-date the Club has paid out **over half a million dollars to St. Mary Schools.** Which means over \$554,000 has also been paid out to our club members!! So again the call goes out to all of the faithful St. Mary 400 Club members, St. Mary parishioners, alumni and anyone interested in participating. It is time to renew your pledge or initiate a new pledge for the fiscal year 2018-2019. The St. Mary 400 Club was started 30 years ago to support St. Mary Schools with equal amounts paid out to 400 Club members just like you. Currently membership in the 400 Club is over 300 members. As time goes on, St. Mary Schools will continue face increased inflationary pressures. If the 400 Club could increase its membership, then the financial support to St. Mary's School would also increase, as would the opportunity for members to win more money. The bottom line: The more members who participate, the more cash we can pay to winners and more we can donate to St. Mary Schools.*

Here is how the process works: Each member contributes \$10 per month or \$120 per year. Half of the money received each month is given back to three members in the form of cash awards: \$1000, \$300, >\$200 more or less depending on the number of paid members. Each member is assigned a number when they join; winners are then drawn at random on the last Sunday of each month. The remaining half is paid to St. Mary Schools. ***It's a Win / Win opportunity for YOU and St. Mary Schools.***

The St. Mary 400 Club fiscal year runs from March 2018 through February 2019. **It is time for current members to renew their membership and it is also a great time to become a new member!**

If you would like to renew your membership via SMS/Text or for more information please text or call one of following 400 Club committee members: Dave Wolles @ 940-5276; Todd Brown @ 310-1056; or Patrick Mullaney @ 940-2267.
