SMCS SURVEY

We would like to share with you a brief letter from the St. Mary Educational Advisory Committee requesting you to take a survey regarding St. Mary Catholic Schools. One way in which the information will be used is through a "Testimonials" page being developed for our school website.

We also would like to make sure everyone is aware of our "Prayer Requests" page on our school website, located under the "Faith and Community" tab. You can submit any prayer requests you have here and our students will add them to our group morning prayer.

Letter from St. Mary EAC

St. Mary Parents,

As we continue to celebrate Catholic Schools Week and recognize how blessed we are to have St. Mary's School in our community, we hope you will share with us your thoughts and feelings on the benefits of a Catholic education. The EAC is looking for feedback from current families on why you chose St. Mary School. It is our intention to use this information to better promote our school and encourage new families to consider a Catholic education at St. Mary's. Everyone has been impacted differently by their experience with St. Mary School. Understanding the different unique experiences our families have had provides us with valuable information that helps us speak more directly to the questions and concerns of potential new families.

INFO NOTES FEBRUARY 8, 2018

The following link is to a short, 10 question survey. Please take a minute and collect your thoughts on why you chose St. Mary's for your kids before completing the survey. This survey doesn't take long and your participation is greatly appreciated.
