PARENT OR GUARDIAN:

As the parent or guardian of this student, I have read the computer system and/or Internet use agreement. I understand that this access is designed for educational purposes. St. Mary Catholic Schools has taken precautions to eliminate controversial material. However, I also recognize it is impossible for the school to restrict access to all controversial material and I will not hold them responsible for material acquired on the network. Further, I accept full responsibility for supervision if and when my child's use is in a non-St. Mary school setting. I hereby give permission for an account to be issued to my child and certify that the information contained on this form is correct.

I want my child/children to have computer system and/or Internet access at St. Mary Catholic Schools.
