

Ordering Scrip Online

ShopWithScrip is a new program that we are offering to go along with the current Scrip program for friends and families. This online program allows you to purchase eGift cards or ReloadNow cards instantly at home through your computer or mobile phone. You will have access to ordering on-the-go with ShopWithScrip's website: **MyScripWallet.com**.

By going through MyScripWallet, your order is placed securely through your bank account through Great Lakes Scrip Center via Electronic Debit. MyScripWallet is completely secure as it uses the same Automated Clearing House (ACH) process as direct deposit and Social Security. You will also create a PIN to use at checkout, so you can be assured your account is protected.

Things to Know

- 1) You will need to fill out the attached form and return to the Parish Hall or school offices to have an email sent to you regarding sign-up for this program.
